PRICE BASE

Appendix 1 to the Price List with prices and terms of delivery for the WOW PowerPoint presentations – page 3

We do unique custom designs for each slide. To provide the best service, we use other professional software as a support for PowerPoint:

Adobe Illustrator – for drawing custom icons and graphics;

Photoshop – to improve your images;

Adobe After Effect – to make a stunning custom animation;

Camtasia Studio – to record HD videos based on the ppt.

For a customer who ordered the 2nd project from NeitDesign

10% REGULAR CUSTOMER DISCOUNT

For a customer who ordered 3 and more projects from NeitDesign

Up to 30%

PRECIOUS CUSTOMER DISCOUNT

For a repeated / regular customer who recommended NeitDesign to another person (and this person ordered the project) – **+5% off the price for each new person**

50%

VIDEO TESTIMONIAL

HUGE DISCOUNT

For a **repeated / regular customer** who came back with a VIDEO feedback* on how the previous project with NeitDesign helped them to improve their business / product / life.

Video testimonial is submitted before ordering the new project and discussing the terms and conditions of work on it.

For a **new customer** who came back with a VIDEO feedback on the overall experience during the work with NeitDesign.

Video testimonial is submitted after receiving the preview files of the project but before the final delivery of all source files.

* VIDEO testimonial is an mp4 file, a really quick client's feedback (from 30 seconds), recorded on a web / smartphone camera.
